Overall Dimensions	28.8" × 16.8" × 2.2" 732 × 427 × 55mm	35.8"× 20.5"× 2.2" 910 × 520 × 55mm	44.6"× 25.7"× 2.2" 1132 × 652 × 55mm	51.5" × 29.8" × 2.2" 1307 × 757 × 55mm	66.6" × 38.1" × 2.4" 1691 × 967 × 60mm	76.6" × 43.8" × 3.9" 1945 × 1113 × 100mm	86.9" × 49.6" × 3.9" 2208 × 1260 × 100mm	98.1" × 56.1" × 4.1" 2491 × 1425 × 105mm
VESA Bracket	200 × 200	200 × 200	400 × 400	400 × 400	600 × 500	600 × 400	800 × 400	1500 × 600
Standard Included	1 × TV unit, 1 × rain/sun cap, 2 × audio streamers, 1 × power supply, 1 × 20' power cable, 1 × remote control with holder, maintenance kit							
Cover (optional)	Duo layer, waterproof nylon and 3mm neoprene.							
Power Cable	Outdoor quality, insulated 2 × 2.0mm. extendable up to 30 ft.							
Audio Cable	Outdoor quality, insulated 2 × 1.5mm. extendable up to 60 ft.							

Cosmos Outdoor TV Comparison Table

Cosmos Outdoor TV		Other Outdoor TV
Powered by low 24 volts, Cosmos Outdoor TV is safe to use outdoors.		110 to 240 volts on wet grass or near a pool can be dangerous.
Equipped with high quality speakers and additional tweeters, Cosmos has an impressive audio.		Check with vendor if the speakers are included and if there are tweeters installed. It makes a big difference.
Patented audio streamers are very efficient and direct the audio towards you.		No, sound is spread out which reduces the audio performance and quality.
Patented weather cap protects Cosmos from the rain, snow, leaves and small animals which makes Cosmos the ultimate TV for outdoors.		No, not available.
All Cosmos Outdoor TVs are standard equipped with a fully automated heating and cooling system. Wherever you want to use Cosmos, it's ready.		No, only on the higher priced models, and often there is no heater installed that keeps the moisture out in the winter.
Cosmos has often been recognized as the best design for Outdoor TVs.		3" or more (for system with temperature control system).
Cosmos has a Stainless Steel (S304) case and this makes the TV very strong, durable, and well protected.		No aluminum housing.
With a bezel of only 0.6", Cosmos is the most versatile looking outdoor TV.		1 or 2" bezels give the TV an industrial, old fashioned look.

Cosmos Outdoor TV

Other Outdoor TV

Standard equipped with a real 4K resolution supporting the latest available Android version (may vary per market).		Not included, or with a dongle that does not support 4K, or not equipped with sufficient processing speed for great performance.
Update your Cosmos Outdoor TV with the latest technology. Simply replace the Set Top Box and your Cosmos is as new again.		No. Integrated Smart TV system makes your TV old after a few years when better technology is available.
Cosmos Outdoor TV offers high quality and beautifully made Neoprene covers in many styles. Also available in Sunbrella fabric.		No, usually a simple cover that does not really protect.
Enjoy your hot tub in a whole new way with the Cosmos Hot Tub package.		No, not available.
Cosmos Outdoor TV comes standard with 20'6 meters power cable and ready to use when it arrives.		Usually comes with a 5'1.5 meter power cable and might need to buy extra power cable.
Complete your Outdoor TV experience with our Outdoor Audio systems.		No, not available.
Comes standard with a remote control with built in keyboard. Great for navigating the Smart TV applications.		No, and difficult to use the Smart TV applications.
Cosmos Outdoor TV has a wide angle infrared receiver that separates it from regular indoor TVs.		No, you need to stay in front of the TV to use the remote control.
Cosmos offers many, high quality mounts to choose from. Extra stable to secure your Cosmos TV against wind, rain, animals.		No, usually residential quality brackets made of regular steel that can rust.

SELF-STANDING FLOOR MOUNT

DETAILS

- Available for Cosmos Outdoor TV sizes: 32", 40", 50", 60", 75", and 85"
- Completely made of stainless steel (S304)
- Extra heavy and solid stainless-steel base
- Very stable, rustproof and no maintenance required

FEATURES

Stainless Steel

Made of commercial grade stainless steel (S304), the mounts are almost indestructible, do not rust, are easy to clean and do not need maintenance.

Cable Management

The power cable and HDMI cable (if used) are inside the tubes and well protected against weather and animals.

Stability

Outdoor TVs are exposed to extreme conditions and it's very important to mount the TV well. This can only be achieved with carefully designed mounts and brackets.

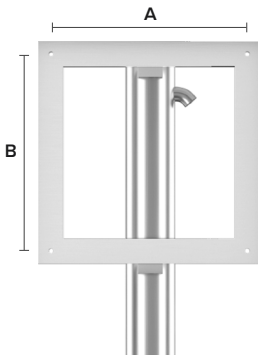

VESA Compatible

Cosmos Outdoor TV brackets and mounts are VESA compatible and therefore suitable for all TVs.

HOT TUB MOUNT

DETAILS

- Available for 40" and 50" Cosmos Outdoor TV sizes.
- Completely made of stainless steel (S304).
- This mount can be quickly removed from the hot tub in case the cover is used.
- A small adjustment on the cover needs to be made to keep this bracket installed
- Very stable, rustproof and no maintenance required

FEATURES

Stainless Steel

Made of commercial grade stainless steel (**S304**), the mounts are almost indestructible, do not rust, are easy to clean and do not need maintenance.

Cable Management

The power cable and HDMI cable (if used) are inside the tubes and well protected against weather and animals.

Stability

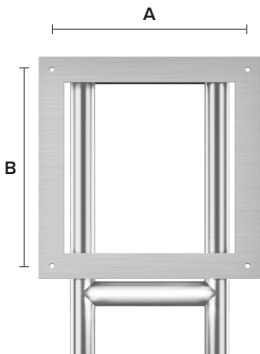

Outdoor TVs are exposed to extreme conditions and it's very important to mount the TV well. This can only be achieved with carefully designed mounts and brackets.

VESA Compatible

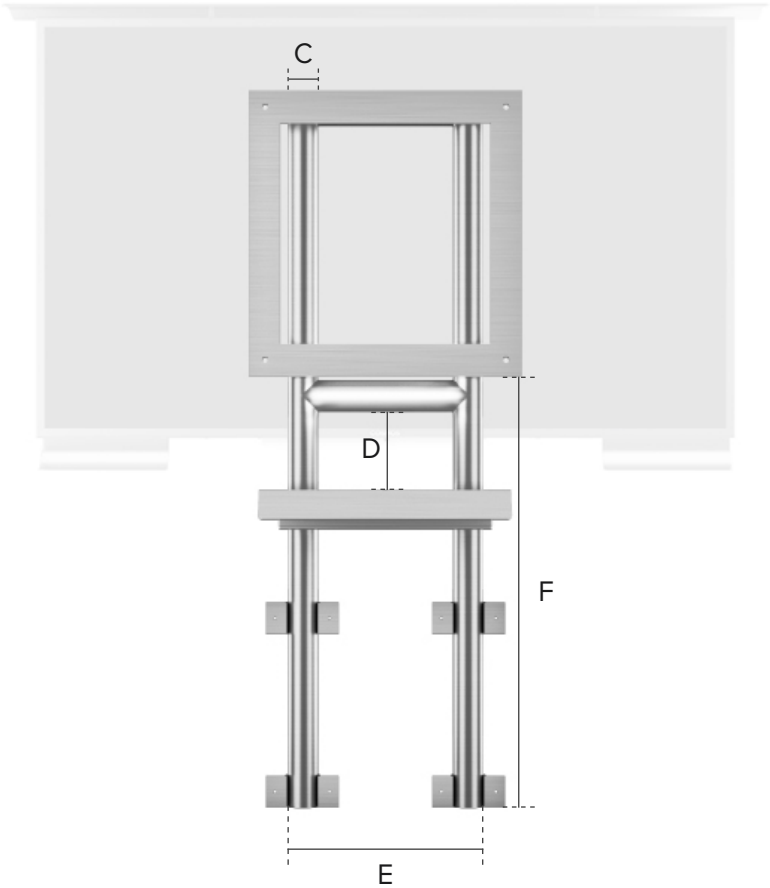

Cosmos Outdoor TV brackets and mounts are VESA compatible and therefore suitable for all TVs.

SOUNDWAVE CONCERT

COSSW-900

FEATURES

Left and Right Speakers
Dual speaker technology provides an excellent audio in your backyard. The speakers come standard on a 10" pole that can be mounted on a tile, brick or wood.

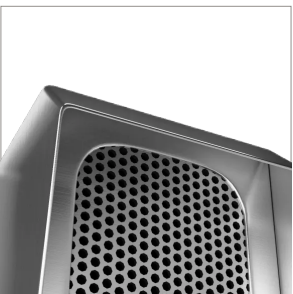

Subwoofer Included
Especially outdoors, a subwoofer makes an incredible difference when it comes to the sound quality

Touch Screen Control
With the handy control box, you can change the inputs (bluetooth for your smart phone), volume or the audio settings with a touch on the control screen.

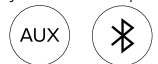

Outdoor Audio Cables
The SoundWave Concert comes standard with outdoor audio cables. The speakers all connect to the back side of the control box which directly connects to the Cosmos Outdoor TV.

Made of Stainless Steel
The SoundWave Concert is completely made of high quality stainless-steel (S304). Rustproof, easy to clean and no maintenance needed.

Play it Your Way
Stream over Wi-Fi from compatible apps on your phone or laptop, play songs right over bluetooth, or plug in your record player using a stereo cable.

AUX Bluetooth

Connect any other device to the SoundWave Concert through the AUX or wirelessly through Bluetooth.

SOUNDWAVE THEATER

COSSW-1000

FEATURES

Center Speaker

Equipped with three speakers, the center speaker supports the balanced audio between other speakers. All speakers are completely made of premium quality stainless-steel.

Main Speakers

The two full-sized main speakers will give an unforgettable audio experience. Like all other SoundWave outdoor speakers, SoundWave Theater is made of very durable, rustproof and maintenance-free stainless steel.

Side Speakers

The two side speakers come standard on a 15" stainless-steel pole that can be mounted on a tile, brick or wood.

Subwoofer

An essential part of any great sound system is the subwoofer. Especially outdoors, a subwoofer will make a big difference.

Note: The SoundWave Theater needs an additional amplifier that is not included. Any 5-speaker amplifier is compatible.

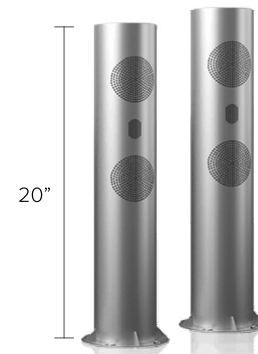

SOUNDWAVE CYLINDER

FEATURES

Stainless Elegance

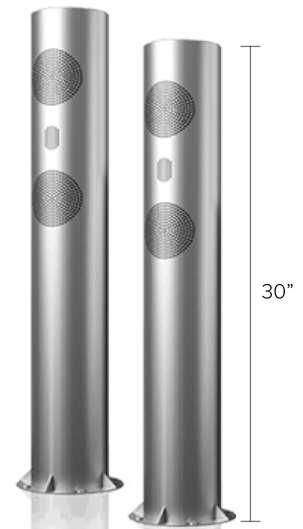

SoundWave Cylinder is available in two sizes and made of stainless-steel which can be safely placed anywhere in your backyard or garden.

COSSW-C20

Different Sizes

With the two built-in speakers and the flexibility you have to install them anywhere in your garden, you can create an outdoor TV experience you'll enjoy every time.

COSSW-C30
